Critical Approaches to the PRA A second challenge concerns the PRA's control of the effects of religion, religious life and all related concepts. Religion should be free from all kinds of political approaches. The PRA is among the fundamental branches of the official Turkish state system. This attitude would bring religion within the laic worldview and attempt to control it. Thus, the PRA ...

Critical Approaches to Literature Deconstruction is a school of literary criticism that suggests that language is not a stable entity, and that we can never exactly say what we mean. Therefore, literature cannot give a reader any one single meaning, because the language itself is simply too ambiguous. Deconstructionists
