**designing a motivational syllabus pdf**

"Designing a syllabus is a task that faculty often give little thought to. However, in this engaging and thoughtful book, the authors have crafted a guide that is both helpful and a teaching tool. The authors weave student learning throughout the book and have developed a resource that will help both new and seasoned faculty. And, because the book is so well written, it is accessible to all ...

General English Syllabus Design This collection of papers emerging from the 1983 TESOL Convention in Toronto examines the role of general syllabuses in state education, at that time a relatively neglected area in comparison with ESP syllabuses. Authors of papers were invited to address three key aspects: the relationship between syllabus and learner; the design of syllabuses; and how a ...
