Foreword The design of the Australian family home is set for a makeover. Our homes have transformed significantly over the years. Today's houses are greener, more efficient and safer.

Livable Housing Design Guidelines

Inclusion of people with disabilities into everyday activities involves practices and policies designed to identify and remove barriers such as physical, communication, and attitudinal, that hamper individuals' ability to have full participation in society, the same as people without disabilities.

Disability and Health Inclusion Strategies | CDC

Many people, when building a new home, anticipate spending a number of years, if not decades, living in it. Others may conceive of a shorter stay. Whatever the intention, any new home is likely to have to accommodate changing needs over its lifetime. A livable and adaptable house is one that is able to respond effectively to these needs without ...
