However, the federal government does not have the entire U.S. economy at its disposal to service federal debt. The private sector, which produces the goods and services that comprise most of the economy, utilizes some of these resources, and local and state governments also consume some of the nation's GDP.

National Debt – Just Facts

I'd like to share some things I've learned about women from the relationships I've had. A lot of that experience comes from Eastern European girls, who are more feminine than American girls, but I believe the true nature of women is the same no matter where you go, lurking underneath regardless of outward presentation and behavior.

What I've Learned About Women From My Long-Term
