Try These Fun Chemistry Demonstrations and Experiments

field experts, together with the Stephenson book, has produced an array of simple equipment and science experiments which needed to be assembled and described in one volume. This need has provided the impetus for the production of the present 700 Science Experiments for Everyone. Believing that science and the scientific method of problem solving should play a significant role in any modern ...

700 SCIENCE EXPERIMENTS FOR EVERYONE COMPILED BY UNESCO

mobile science experiments. mobile science experiments This is a collection of experiments that might be useful for "mobile science". They assume a context in which teachers, instructors, mentors, explainers, call them what you will, are trying to bring the experience of science to others, probably children but not necessarily. In this assumed context, neither equipment nor scientific ...
