Federal data from the National Center on Education Statistics (NCES) offers a potentially surprising revelation: Private school teachers have higher turnover rates than their public school counterparts, and itâ€™s not particularly close.

Why Do Private School Teachers Have Such High Turnover

How in the world are we supposed to apply the Common Core writing standards to teaching English language learners? We've been asking that question of ourselves and others over the past two years, and we suspect we're not the only educators doing so.
